PlainSong Music Services, LLC
Internship Application and Information

Thank you for your interest in PlainSong Music Services, LLC's internship program! Please take time to read and complete the application below to be considered for an internship placement with PlainSong Music Services, LLC. PlainSong offers both fulltime and flexible internships dependent upon an intern's needs to complete their program.

PlainSong Music Services, LLC is a private practice located in Anderson, IN and services central Indiana with a variety of individuals and groups including intellectual and developmental disabilities, substance abuse treatment centers, hospice and palliative care, educational facilities, individuals struggling with mental health, and more!

PlainSong is taking applications for interns who have completed course work through an AMTA-approved university and ensures that all internships are of the highest quality. Interns learn and grow to become confident practicing music therapists after passing the board examination. Plainsong interns have had a 100% pass rate for the board certification examination and a 100% employment rate.

PlainSong interns can look forward to a variety of experiences including but not limited to:

- Observing and interacting with clients
- Growing leadership and communication skills
- Working on documentation skills and standards
- Actively participating in assessing clients and writing individualized treatment plans with goals and objectives
- Engaging in co-leading sessions
- Identifying and adapting the needs of clients
- Planning and implementing interventions for clients
- Growing a repertoire of songs and interventions
- Deepening instrumental skills
- Expanding therapeutic intervention skill set
- Independently leading sessions
- Supervision from internship director
- Support and encouragement for growth
- Planning, implementing, and engaging in an end of internship presentation
- Certification tutoring and test prep
- All of the requirements set forth by intern's supervising university

Again, thank you for your interest in PlainSong Music Services, LLC's internship program. Should you have questions, please email Kirby Gilliam, MT-BC at kirby@plainsongmusicservices.com.
